Let's grow Art Walk together!

Art Walk Lewiston Auburn fosters community and celebrates the vitality of LA by turning its downtowns into bustling arts districts each month. By converting 30+ businesses and empty storefronts into galleries, creative exhibitions, and special performance spaces, Art Walk LA drives thousands of people downtown, making it a staple of culture, civics, and economic development for the Twin Cities.

For the second year, we're delighted to extend Art Walk LA into the City of Auburn, providing ongoing promotional opportunities on both sides of the river. And now with a new day and extended season, running on the third Friday from May–Dec, we expect an even more robust turnout for businesses, artists, and our community.

Creating enjoyable Art Walks every summer requires curation, booking, coordination, signage, outreach and more; it takes dedicated effort and resources. Art Walk cannot thrive without your generous support. Raise the visibility of your business and showcase your support for arts and culture in our Twin Cities. Join us today!
